

We are pleased to welcome Garth Bradford to Healthcare Essentials as CEO.

This is a new appointment which adds Garth's many years of Dental, Medical and Pharmaceutical experience to the Healthcare Essentials management team and allows us to maintain our traditional focus on being 100% New Zealand owned and operated.

You are familiar with our General Manager, Sarah Gallagher, and her knowledgeable and experienced team. Garth is looking forward to joining Healthcare Essentials, myself, and our team.

We have always taken pride in our capacity to provide a local presence and choice for our customers.

Maintaining a local supplier option is important to the market and we believe Garth's appointment strengthens our commitment to New Zealand clinicians.

Similarly, we will continue to bring a simple old-fashioned style of service which has underpinned our offering for the last 25 years, such as our good customer service, attention to detail, prompt response to customer needs and exclusive manufacturers with premium quality materials.

Many of our customers will know Garth from his past association with dental practices throughout New Zealand and the Pacific.

We look forward to welcoming new customers who will look to reacquaint themselves with Garth over the next few months.

Additionally, he will be calling on as many dental surgeries as practicable in the coming months.

You can contact Garth at: garth@healthcareessentials.nz or by phone on 021947438.

I take this opportunity to thank you for your past support and enthusiastically look forward to continuing a long and successful relationship.

Don McRae
Managing Director

Healthcare Essentials Ltd
