Survival Kits

Natural disasters can occur at anytime without warning. Many of the comforts of normal life will be missing or in very short supply. QSI Survival kits provide you and your family with the essentials to get through most emergency situations.

Three Person 72hr Survival Kit

A larger and more comprehensive kit designed for up to three people, contains emergency rations, survival blankets, ponchos, first aid essentials and much more. Will last three people up to four days.

FAKSK01 Three Person 72hr Survival Kit

QSI Ready To Run Survival Kit

The QSI Ready To Run Kit will give one person the essentials to survive for up to 72 hours, providing food, warmth and basic first aid equipment. Supplied in 24L backpack or lime yellow draw-string nylon bag.

FAKSK02 Ready to Run Backpack Kit

FAKSK03 Ready to Run Drawstring Bag

Children's Survival Kit

Even children need to be prepared for emergency situations. This kit contains the basics of shelter and protection from the elements. Designed to give your child the security of knowing they have the equipment to deal with minor emergencies.

FAKSK04 Children's Survival Kit

Vehicle Glove Box Survival Kit

This compact vehicle survival kit is designed to fit into your car boot or glove box so that it is handy at all times when you are away from home. Disasters can happen anywhere and it is important to be prepared for emergencies even when travelling.

FAKSK05 Glove Box Survival Kit

1-12 person Wheelie Bin Survival Kit

The largest of our survival range, this kit is designed for up to twelve people, contains emergency rations, survival blankets, ponchos, first aid essentials and much more. Will last twelve people up to four days.

FAKSK06 Wheelie Bin Survival Kit

QSI Pandemic Survival Kit

The QSI Pandemic Kit will give you all the basic equipment needed to survive an emergency where air, waterborne bacteria or disease is a problem. Hand sanitiser and water purification tablets, paracetamol, gloves and masks included. Supplied in an orange zip bag for easy storage.

FAKSK07 QSI Pandemic Kit

QSI Hygienic Cleanup Kit

A small, economical kit designed to allow you to clean up spills where a protective barrier between you and the contaminated substance is required. Ideal for vomit, bodily fluids such as blood, or decomposed foods. Contains gloves, masks, antiseptic wipes and more.

FAKSK08 QSI Hygienic Cleanup Kit

QSI One Person Survival Kit

A compact 1 person survival kit supplied in a bag. This kit contains food, first aid, shelter and light equipment. Small and portable, this kit is ideal for home or office use.

FAKSK09 QSI Single Person Survival Kit

Survival Equipment

Emergency Food Ration Bar 3600cal

Providing 3600 calories per bar, these rations are enough for one person to survive for up to four days. They are supplied in a waterproof resealable wrapper. Great for the bottom of a backpack or survival kit.

CDFB3600 Emergency Food Bar

Emergency Foil Survival Blanket

Made from polyester aluminium foil, designed to reflect body heat back to the user. Ideal as a water and wind-resistant shelter. These blankets make excellent groundsheets.

Blankets measure 130cm x 210cm.

BlaRecSS Emergency Foil Rescue Blanket

Survival Woollen Blanket

2.0x1.5m woollen survival blanket.

40% wool. 60% synthetic fibers.

SURWOOLBLANKET Wool Blanket

Emergency Foil Sleeping Bag

Made from the same aluminium foil as the survival blankets. These sleeping bags are a great form of protection from the elements. Water and wind resistant, excellent thermal retention, perfect for use in conjunction with survival blankets.

BlaRecSSBag Emergency Foil Sleeping Bag

Disposable Poncho

A lightweight strong disposable poncho. One size fits most, these raincoats are waterproof and wind resistant. A great addition to any survival kit.
